TII Quick Guide To:
The Mozilla Firefox Browser

TODDINGTON INTERNATIONAL INC.
Knowledge Powered by Intelligence™

Mozilla Firefox is assessed by our company experts as the best browser for conducting online research, intelligence, and investigations. Firefox has a lot of adaptability that other browsers do not have, with many potential settings, extensions, add-ons, toolbars, and customizations. If you are new to Mozilla Firefox, here is a list of helpful information for you to apply to your own system.

START PAGE

For those using Mozilla Firefox for the first time, the start page will look something like this.

SYMBOLS

Many of these symbols on Mozilla Firefox are not immediately visible, but will appear once you start adding tools and changing settings. Here are the most common symbols and their descriptions.

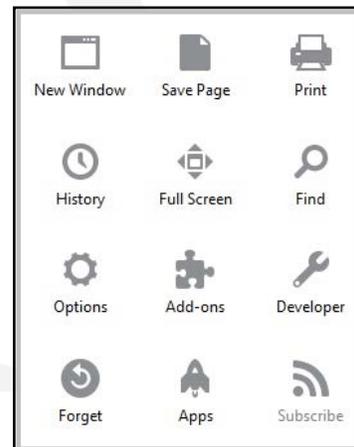

1 2 3   4 5 6 7 8 9 10 11

1 - Back button; return to previous webpage
